Case No. TK-2006-0319

ORDER CLOSING CASE

Issue Date: February 9, 2006

Effective Date: February 9, 2006

On February 3, 2006, Trans National Communications International, Inc., filed what appears to be an interconnection agreement. The agreement, however, did not include an application requesting any relief. The filing in this case fails to meet the Commission's standards set forth in Commission Rules 4 CSR 240-2.060, .080.

The Commission will therefore close this case, and will advise Trans National that an attorney must file a pleading which complies with the Commission's rules before the Commission will take any other action.
