Issue Date: July 29, 2009

Effective Date: July 29, 2009

On July 24, 2009, the Commission issued an order directing the parties to file a pleading indicating what, if any, effect the Federal Communications Commission's granting of TracFone Wireless, Inc.'s request for federal Lifeline support of \$6.50 would have on the conditions the Staff of the Commission suggested in its recommendation. That order directed the parties to make their filings no later than August 31, 2009. This date was incorrect. The date should have been July 31.

Rather than direct the parties to file their pleadings by July 31, the Commission will herein set a new date for the filing of such pleadings.

THE COMMISSION ORDERS THAT:

1. The parties shall file, no later than August 5, 2009, a pleading as set out in the body of the order issued on July 24 and referenced in the body of this order.

2. This order shall become effective upon issuance.
