Re: Water Utility Small Company Rate Increase Request
MO PSC Case No. WR-2021-0177

Dear Secretary:

Enclosed for filing with the Commission is tariff sheet P.S.C. MO No.1, 1st Revised Sheet No. 4, Cancelling Original Sheet No. 4 that include rate and language changes reflected in an Agreement Regarding Disposition of Small Company Rate Increase Request (Disposition Agreement) between Carl R. Mills (Company), the Commission Staff (Staff), the Office of the Public Counsel (OPC), and Derald Morgan (Intervenor) regarding the above-referenced small company rate request. Our client submitted the referenced rate request on December 21, 2020, under the provisions of the Commission's staff assisted rate case procedure.

Since the above-referenced Disposition Agreement is between our client, the Staff, OPC, and Intervenor, the enclosed tariff sheet bears an effective date that is at least 30 days from the issue date, as is provided for by the staff assisted rate case procedure.

Consistent with the above-referenced Disposition Agreement, the enclosed revised tariff sheet contain customer rates that are intended to produce a decrease of \$161 in the annual water system operating revenues, and also contain all other provisions necessary to implement the terms of the Disposition Agreement.
