Dear Secretary Rauch:

Enclosed for filing please find an original and fourteen copies of the Company's Application for approval of an agreement with the Meramec Sewer Company in Jefferson County, Missouri ("MSC"), providing for water service termination for unpaid sewer bills. Although this Company has relatively few customers within the service area of the Meramec Sewer Company, we have been requested to enter into an agreement with this sewer company on the same terms and conditions under which the Company has already contracted with MSD with the previous approval of this Commission. Attached as exhibits to the Application are the executed Agreement between the Company and MSC, and the associated tariff.

Because the Agreement requires approval by the Commission of the tariff charges illustrated by the Agreement exhibit attachment, I am also herewith filing an executed original of the tariff itself. Pursuant to requirements, the following is an explanation of the changes being effected by this filing:

First Revised Sheet RT 15.0 is identical to Original Sheet RT 15.0 with the exception of the addition of reference to the Maramec Sever Company in addition to the previous applicability to MSD only. All charges specified are identical and unchanged.

I would very much appreciate it if you would bring this matter to the attention of the Commission at your earliest convenience. Thank you for your cooperation in this matter.

Very truly yours,

Richard T. Ciottona
Vice President and
General Counsel
