Dear Secretary:

Enclosed herewith for filing with the Missouri Public Service Commission is a revised tariff sheet, P.S.C. MO. No. 5 Consolidated, Two Hundred and Twenty-Second Revised Sheet No. 29 of the Laclede Gas operating division of Laclede Gas Company ("Company"). This revised tariff sheet, which has an issue date of October 31, 2014, and an effective date of November 18, 2014, reflects the scheduled November Purchased Gas Adjustment ("PGA") of the Company as provided by Sheet Nos. 15 through 28-i of the Company's tariff. Such revised PGA rates, which will be made effective on a pro-rata basis, include changes to both the Current Purchased Gas Adjustment ("CPGA") and the Actual Cost Adjustment ("ACA") factors for natural gas and subdivision propane customers.

As a result of this filing, the Company's underlying charge for natural gas for firm sales customers will increase only slightly from \$.56531 to \$.56952 per therm. Also, please note that the Company is contemporaneously providing to the Staff under separate cover a highly confidential Executive Summary that is intended to explain the major elements responsible for the change in the Company's PGA rates.

The change in natural gas PGA rates provided herein will increase the average monthly natural gas bill of the typical residential customer for the upcoming year by approximately \$.31 per month, or .4%. Such bill impacts may be less or more depending on the effect of weather and other factors on customer usage.

Also, please note that the instant filing is unlikely to be contested. Instead, the Commission generally approves PGA filings on an interim basis, subject to future audit by the Staff.

Sincerely,

/s/ L. Craig Dowdy
