**JOINT APPLICATION FOR APPROVAL OF  
AN AMENDMENT TO WATER SERVICE AREA  
TERRITORIAL AGREEMENT**

COME NOW Joint Applicants Public Water Supply District No. 2 of St. Charles County, Missouri (“District”) and the City of Wentzville, Missouri (“City of Wentzville”) (collectively “Joint Applicants”), pursuant to Section 247.172 RSMo 2000, 4 CSR 240-2.060(1) and 4 CSR 240-3.625, and for their *Joint Application For Approval of An Amendment To Water Service Area Territorial Agreement*, respectfully state as follows:

**I. 4 CSR 240-2.060(1)**

1. Applicant District is a public water supply district organized and existing under Chapter 247 RSMo 2000 with its principal place of business located at 100 Water Drive, O’Fallon, Missouri 63366, telephone number (636) 561-3737, fax number (636) 625-3712, email address: [mdougherty@alliancewater.com](mailto:mdougherty@alliancewater.com). The District currently provides water service at retail and wholesale to customers located within the District’s water service area in and around St. Charles County and Warren County, Missouri.

2. Applicant City of Wentzville is a political subdivision of the State of Missouri and a fourth class city organized and operating under Chapter 79 RSMo 2000. Wentzville is located in St. Charles County, Missouri and it operates a municipally-owned water utility. Wentzville’s principal office is located at 310 West Pearce

Boulevard, Wentzville, Missouri, telephone number (636) 327-5101, fax number (636) 639-6040, email address: [garym@wentzvillemo.org](mailto:garym@wentzvillemo.org).

3. All communications, correspondence, notices, orders and decisions regarding this Joint Application should be sent to undersigned counsel, with a copy sent to:

4. As neither of the Joint Applicants are subject to the general supervisory and regulatory jurisdiction of the Commission, the provisions of 4 CSR 240-2.060(1)(K) and (L) are not applicable for purposes of this Joint Application.

## **II. 4 CSR 240-3.625**

5. On October 17, 2000 the Commission issued its Report and Order in Case No. WO-2000-849 wherein the Commission approved the water service area territorial agreement (“Territorial Agreement”) entered into by the Joint Applicants. Consistent with Section 247.172 RSMo 2000, that Territorial Agreement specified the respective water service area boundaries as between the Joint Applicants and did not affect the water service territories of any suppliers not a party to the Territorial Agreement.

6. Paragraph twelve (12) of the Commission-approved Territorial Agreement provides that “[n]either the boundaries described by this Agreement nor any term of this Agreement may be modified, repealed or changed except by a writing mutually approved by the respective parties and by the Missouri Public Service Commission”.

7. Since the time that the Commission first approved the Territorial Agreement, Joint Applicants subsequently have determined that an amendment to the Territorial Agreement is needed. Accordingly, Joint Applicants have executed the *First Amendment To Intergovernmental Territorial Agreement* (“the Amendment”), attached hereto and incorporated herein by reference as **Attachment A**, and hereby request that the Commission approve same as expeditiously as possible. Included in Attachment A are maps and descriptions designating the Joint Applicants’ revised water service area boundaries pursuant to the Amendment. If needed, full size maps can be provided to the Staff upon request.

8. As neither of the Joint Applicants or their operations are otherwise regulated by the Commission, 4 CSR 240-3.625(B) does not apply for purposes of this Joint Application.

9. Commission approval of the Amendment will *not* result in a change of water supplier for any customer currently served by either the District or by the City of Wentzville.

10. Approval of Joint Applicants’ request to amend their Territorial Agreement is in the public interest because both Joint Applicants are public entities whose respective governing bodies have determined that the Amendment to be in the public interest and beneficial to their respective ratepayers. Approval of the Amendment is furthermore in the public interest as it is consistent with the public policy underlying Section 247.172 RSMo which allows for competing water suppliers to replace destructive competition in favor of voluntary, negotiated service area agreements.

11. The execution of the Amendment between Joint Applicants was made necessary because a third party supplier not a party to the original Territorial Agreement, the City of Foristell, now desires to sell its municipal water system to the District. The Territorial Agreement, as currently approved, places a portion of Foristell's existing system solely within the designated service boundaries of the City of Wentzville. Joint Applicants' Amendment simply re-assigns the service boundaries as between Joint Applicants to allow the District to consummate its transaction with the City of Foristell.

12. Joint Applicants' counsel has been advised that no filing fee is required for submission of amendments to previously-approved territorial agreements.

WHEREFORE, Joint Applicants the Public Water Supply District No. 2 of St. Charles County, Missouri and the City of Wentzville, Missouri request that the Commission approve the Amendment to their water service area Territorial Agreement.

Respectfully submitted,

/s/ **Charles Brent Stewart**
