Mr. Steven Reed  
Secretary of the Commission  
Missouri Public Service Commission  
200 Madison Street, Suite 100  
Jefferson City, MO 65102-0360

Dear Mr. Reed:

The accompanying tariff sheets issued by Union Electric Company d/b/a AmerenUE (AmerenUE or the Company), are being transmitted for filing as a revision of Schedule No. 2, Schedule of Rates for Gas Service:

Filed	Canceling
97th Revised Sheet No. 30	96th Revised Sheet No. 30
10th Revised Sheet No. 30.1	9th Revised Sheet No. 30.1
103rd Revised Sheet No. 31	102nd Revised Sheet No. 31
98th Revised Sheet No. 32	97th Revised Sheet No. 32

These tariff sheets are being issued October 16, 2009 to become effective on and after November 1, 2009.

These revised sheets include changes to Company's Purchased Gas Adjustment (PGA) Clause as approved by the Commission. They reflect adjustments to the Regular Purchased Gas Adjustment (RPGA) and Actual Cost Adjustment (ACA) factors for the Company's four Missouri service areas.

The changes in the PGA factors applicable to the Company's service areas, excluding the Rolla area, result from the combination of an increase in the weighted average cost of gas and a decrease in the ACA component. The firm sales customers' PGA factors will remain unchanged at 75.00¢/Ccf. The interruptible sales customers' PGA will increase from 58.02¢/Ccf to 62.55¢/Ccf. The transportation PGA factor will remain unchanged at 0.00¢/Ccf.

The changes in the PGA factors applicable to the Company's Rolla service area (formerly Aquila's Eastern System) result from the combination of an increase in the weighted average cost of gas and an increase in the ACA component. The firm sales customers' PGA factors will increase from 95.00¢/Ccf to \$1.09/Ccf. The interruptible sales customers' PGA will increase from 59.27¢/Ccf to 63.80¢/Ccf. The transportation PGA factor will remain unchanged at 0.00¢/Ccf.

We are enclosing workpapers supporting this filing with the copy of this filing being provided to the Staff. Certain of the work papers have been designated "Highly Confidential" since they contain market specific information directly relating to the natural gas markets where AmerenUE must compete for its gas supplies. AmerenUE requests that these papers be handled in a manner consistent with this designation.

Sincerely,

A handwritten signature in black ink, appearing to read "Steve Sullivan" followed by a stylized flourish or initials.
