FILED

MAY 6 2010

Missouri Public
Service Commission

Question No. : 0339S

Please provide copies of all documents related to the negotiation of the contract with Burns and McDonnell for design and engineering services for the Iatan 1 environmental upgrades and construction of Iatan 2, including draft contracts and proposed contract provisions.

Response:

Please refer to question / request 0336 in this case for the Recommendation to Award (RTA) Letter for Owner's Engineer on the Iatan Projects.

Please consider this document **Highly Confidential / Proprietary** as it includes strategies employed, to be employed, or under consideration in contract negotiations and marketing analyses or other market – specific information relating to services offered in competition with others.

Response provided by Iatan Construction Project Procurement.
