Subject: Staff Recommendation for Approval of Interconnection Agreement
Second Joint Errata

Date: August 26, 2005

Date Filed: 8/26/05

The Telecommunications Department Staff (Staff) recommends the Parties be granted approval of the submitted second joint errata.

The parties submitted the proposed Second Joint Errata to the Missouri Public Service Commission (Commission) pursuant to the terms of the Telecommunications Act of 1996 (Act). Staff has reviewed the proposed Second Joint Errata and believes it meets the limited requirements of the Act. Specifically, the Second Joint Errata: 1) does not discriminate against telecommunications carriers not party to the Agreement and 2) is not against the public interest, convenience or necessity. Staff recommends the Commission direct the Parties continue to submit any modifications or amendments to the Commission for approval.

- Staff does not have a serially numbered copy of the Agreement and recommends the Commission direct the Parties to submit a serially numbered copy of the Agreement.
- Staff has a serially numbered copy of the Agreement.

The Companies are not delinquent in filing an annual report and paying the PSC assessment.

The Company is delinquent. Staff recommends the Commission grant the requested relief/action on the condition the applicant corrects the delinquency. The applicant should be instructed to make the appropriate filing in this case after it has corrected the delinquency.

(No annual report Unpaid PSC assessment. Amount owed:)
