Company for Approval of the Transfer of)	
Existing Common Facilities and Permit Interests, and)	Case No. EO-2011-0334
Materials and Supplies Inventory Administration)	
at the Iatan Generating Station.)	

RESPONSE TO ORDER DIRECTING FILING

COMES NOW, Kansas City Power & Light Company ("KCP&L") and hereby respectfully submits its Response to Order Directing Filing. In support of its Response, KCP&L respectfully state as follows:

1. On March 14, 2012, the Commission issued an *Order Directing Notice of Application and Order Directing Filing* which directed KCP&L to file a supplement to its Application listing each county in which an affected political subdivision is located as required by Section 393.190.1, RSMo Supp. 2010.

2. As indicated by KCP&L in paragraph 14 of its March 9, 2012 *Application*, pursuant to 4 CSR 240-3.110(1)(F) KCP&L believes that there will be no impact of the sale, assignment, lease or transfer of the assets on the tax revenues of the political subdivisions in which any structures, facilities or equipment are located.

3. The only county responsive to the Commission's Order is Platte County, Missouri.

WHEREFORE, for the foregoing reasons, KCP&L respectfully submits the supplemental information requested in the Commission's Order Directing Filing and required pursuant to Section 393.190.1 RSMo. Supp. 2010.

Respectfully submitted,

/s/ Roger W. Steiner
