Infrastructure System Replacement Surcharge	)	

**RESPONSE TO STAFF RECOMMENDATION AND  
MOTION FOR EXPEDITED TREATMENT**

**COMES NOW** Laclede Gas Company ("Laclede" or "Company") and files this Response to Staff Recommendation and Motion for Expedited Treatment, pursuant to 4 CSR 240-2.080(16), and in support thereof, states as follows:

1. On April 28, 2009, Laclede filed its Verified Application and Petition and a Tariff Sheet to increase its Infrastructure System Replacement Surcharge ("ISRS"), pursuant to Sections 393.1009, 393.1012 and 393.1015 of the Revised Statutes of Missouri and Commission Rule 4 CSR 240-3.265 (the "ISRS Rule").

2. Pursuant to paragraph 22 of the Unanimous Stipulation and Agreement filed on July 9, 2007, and approved by the Commission on July 19, 2007 in Case No. GR-2007-0208 (the "Stipulation"), the parties agreed to work towards implementation of the Company's ISRS filings *as soon as reasonably possible*. Based on past experience regarding processing of its ISRS filings, Laclede set July 1, 2009, as the effective date of the tariff.

3. On May 4, 2009, the Commission suspended the tariff and directed the Staff to file its report by June 27, 2009.

4. On June 26, 2009, Staff filed its Memorandum and Recommendation ("Staff Recommendation"), in which it recommended that the Commission reject the

Company's tariff filing, which sought to recover incremental annual pre-tax revenues of \$2,485,205, and instead approve the Staff's determination of such revenues in the amount of \$2,473,240. The Staff recommended that Laclede be authorized to file ISRS rates as reflected in Attachment 1 to the Staff Recommendation.

#### **Response to Staff Recommendation**

5. Laclede responds to the Staff Recommendation by stating that it accepts the Staff's figure for annual pre-tax revenues in the amount of \$2,473,240, and accepts the ISRS rates reflected in Attachment 1 of the Staff Memorandum.

6. Contemporaneously herewith, Laclede is filing a tariff (the "Compliance Tariff"), with rates that comply with Attachment 1 to the Staff Recommendation.

#### **Motion for Expedited Treatment**

7. Pursuant to the agreement in the Stipulation to work towards implementation of the Company's ISRS filings as soon as reasonably possible, Laclede respectfully requests that the Commission issue its order directing a response to the Staff Recommendation such that the Commission may approve the Compliance Tariff effective as soon as reasonably practicable, but not later than July 16, 2009.

8. Since this request is based on the Stipulation, which was signed by all of the parties to this case and approved by the Commission, harm will be avoided, and the intent of the parties and the Commission will be served, by Commission approval of the Compliance Tariff as soon as reasonably possible. Laclede states that there will be no negative effect on Laclede's customers or the general public if the Commission acts to permit the Compliance Tariff to be effective on or before the date requested.

9. This pleading was filed as soon as it could have been following the Company's evaluation of the Staff's Recommendation filed late on June 26, and preparation of the Compliance Tariff.

**WHEREFORE**, for the foregoing reasons, Laclede Gas Company respectfully requests that the Commission direct the parties to this case to respond to the Staff Recommendation and this Motion for Expedited Treatment in sufficient time to accommodate the proposed approval date, and that the Commission approve the annual pre-tax ISRS revenues and rates in accordance with the Staff Recommendation, effective as soon as reasonably possible, but no later than July 16, 2009.

Respectfully submitted,
