Issue Date: April 22, 2022

Effective Date: April 22, 2022

On January 11, 2022, the Commission directed its Staff (Staff) to file a recommendation concerning Evergy Missouri Metro and Evergy Missouri West’s (Evergy) application to construct a solar facility. The Commission set a deadline of March 21, 2022, for any responses to Staff’s recommendation or Evergy’s application. That deadline was then extended to April 7, 2022, and then again to April 21, 2022.

On April 21, 2022, Evergy filed an additional request for an extension of time to respond to Staff’s recommendation. In support of its motion Evergy states that it is still engaged in discussions concerning a possible settlement of this matter. The Commission will grant Evergy’s motion and extend the response deadline for all parties.

THE COMMISSION ORDERS THAT:

1. Evergy’s motion is granted. **All** parties have until April 28, 2022, to file a settlement agreement or response to Staff’s recommendation.

2. This order is effective when issued.
