ORDER APPROVING INTERIM BOWLING GREEN DISTRICT RATES

United Cities Gas Company (United) of Brentwood, Tennessee, submitted a tariff sheet to the Commission on September 25, 1997, carrying an effective date of November 1, 1997. The tariff sheet was filed to reflect changes in Bowling Green District's Purchased Gas Adjustment (PGA) factors as a result of an increase in the spot market cost of gas. These changes will increase United's annualized revenues by approximately \$58,800. The impact on a typical residential space heating customer using 97 Ccfs of natural gas in the month of November will be an increase of \$3.44 or 6.0%.

The Staff of the Commission (Staff) filed a memorandum stating that the change in United's PGA was calculated in conformance with United's approved PGA Clause and recommends that the Commission approve the tariff sheet to become effective on November 1, 1997. Staff recommended that the tariff sheet be approved on an interim basis, subject to refund, until the Commission makes its final determinations in Case Nos. GR-96-197 and GR-97-259.

The Commission has reviewed the tariff sheet and Staff's recommendation, and finds that the tariff sheet conforms to its Commission-approved PGA Clause and is therefore reasonable. After considering Staff's recommendation the Commission is of the opinion that the proposed tariff sheet should be approved to become effective on and after the requested effective date of November 1, 1997, interim subject to refund.

IT IS THEREFORE ORDERED:

1. That the tariff sheet submitted on September 25, 1997, by United Cities Gas Company of Brentwood, Tennessee, for the purpose of reflecting changes in rates for natural gas in its Bowling Green District, is approved on an interim basis, subject to refund, to become effective on November 1, 1997. The tariff sheet approved is :

P.S.C. MO. No. 3

61st Revised SHEET No. 47 Cancelling 60th Revised SHEET No. 47

2. That this order shall become effective November 1, 1997.
