Telecommunications Service in the )  
State of Missouri )

**File No. TA-2014-0091**

**STAFF RECOMMENDATION**

**COMES NOW** the Staff of the Missouri Public Service Commission and states:

1. On October 7, 2013, Vodafone Global Enterprise, Inc. ("Applicant") applied for certificate of service authority to provide interexchange telecommunications services and for competitive classification.

2. In the attached Memorandum, the Staff recommends that the Missouri Public Service Commission (Commission) grant Applicant a certificate to provide interexchange telecommunications services. The Commission shall grant an application for a certificate of telecommunications service authority upon a finding that the grant of authority is in the public interest. §§ 392.430 and 392.440 RSMo 2000.

3. Staff also recommends that the Commission classify the Applicant and the services it proposes to offer in its Application as competitive. The Commission may classify a telecommunications provider or its services as competitive if the Commission determines it is subject to sufficient competition to justify a lesser degree of regulation and that such lesser regulation is consistent with the protection of ratepayers and promotes public interest. §392.361.4. RSMo. A majority of the services a competitive company provides must be classified as competitive. §392.361.3. RSMo.

4. The Staff recommends that the Commission grant the waivers listed below:

- 392.210.2 Accounting requirements (system of accounts)
- 392.240.1 Reasonableness of rates
- 392.270 Accounting requirements (valuation of property)
- 392.280 Accounting requirements (depreciation rates/accounts)

- 4 CSR 240-33.150 "Anti-slamming" requirements
- 4 CSR 240-33.160 Customer Proprietary Network Information

5. The Staff further recommends that the Commission state in its order that, pursuant to Section 392.410, the authority conferred by the certificate of service authority shall be null and void unless it is exercised within one year of its issuance.

6. The Application did not include a proposed tariff; the Staff recommends the Commission remind the Applicant that it must have either an approved tariff or a web site on which it posts the rates, terms and conditions for service prior to offering telecommunications services in Missouri.

7. The Applicant is not delinquent in filing an annual report, paying the PSC assessment, MoUSF, and Relay Missouri.

8. The Staff recommends that the Commission specifically include the following language in its Order, conditioning the certificate on continued compliance with the following representation:

Correct Solutions, LLC will undertake all necessary measures to ensure its contracts with underlying carriers do not contain provisions preventing delivery of traffic to any telephone exchange area of Missouri. Such measures include but are not limited to:

- Prevention of call blocking and/or call gapping based on the cost of traffic termination.
- Preventing the alteration or stripping of Calling Party Number identification.
- Ensuring sufficient network capacity exists to process all traffic according to industry accepted practices.

**WHEREFORE,** Staff recommends that the Commission grant a certificate of service authority to provide interexchange telecommunications services, grant it the requested competitive classification, grant the waivers listed above, and condition the certificate as requested above.

Respectfully submitted,

## MEMORANDUM

To: Missouri Public Service Commission Official Case File  
Case No: TA-2014-0091  
Applicant: Vodafone Group Enterprise, Inc.

From: Kari Salsman  
Telecommunications Unit

John Van Eschen 11-1-2013  
Tariff, Safety, Economic and Engineering Analysis/Date

Subject: Staff Recommendation for Approval of Certificate and/or Initial Tariff

Date: November 1, 2013  
Filing Deadline: November 7, 2013

The Telecommunications Unit Staff (Staff) recommends the applicant be granted the following certificate(s), as indicated below, to be effective on the same date the tariff becomes effective:

☐ certificate to provide basic local exchange telecommunications services in the following service areas.

- ☐ All of AT&T Missouri
- ☐ All of CenturyLink
- ☐ All of Spectra
- ☐ Statewide
- ☐ Other \_\_\_\_\_ (please describe)

☒ certificate to provide interexchange telecommunications services.

☐ certificate to provide local exchange telecommunications services.\*

\*local exchange authority should be restricted to dedicated, private line services.

Staff recommends the applicant and its services receive competitive classification. Staff further recommends a Commission order granting certification state that pursuant to Section 392.410 RSMo, unless exercised within a period of one year from the issuance thereof, authority conferred by a certificate of service authority shall be null and void. In addition, Staff recommends approval of the waivers listed in the Notice.

Granting a certificate to provide basic local exchange telecommunications services should be based on the following two conditions:

1. The applicant's originating and terminating access rates shall not exceed the access rates of the incumbent local exchange company against whom the applicant is competing pursuant to Sections 392.361.6 and 392.370 RSMo.
2. If the directly competing ILEC, in whose service area the applicant is operating, decreases its originating and/or terminating access service rates, the applicant shall file an appropriate tariff amendment to reduce its originating

and/or terminating access rates in the directly competing ILEC's service area within 30 days of the directly competing ILEC's reduction of its originating and/or terminating access rates in order to maintain the cap.

☐ No objection to tariff MO PSC No. ## taking effect. Effective Date: ###

☒ Tariff was not submitted with application.

Additional Comments:

**Review Items for IXC, Non-switched Local and CLEC Certificate Applications (as required by 4 CSR 240-2.060):**
