MAY 17 1991

Mr. Brent Stewart
Executive Secretary
Missouri Public Service Commission
P.O. Box 360
Jefferson City, Mo. 65102

OFFICE OF THE SECRETARY
PUBLIC SERVICE COMMISSION

Dear Mr. Stewart:

Pursuant to the Commission's "Order Granting Variance," issued April 11, 1991, in Case No. EO-91-244, Union Electric Company transmits to you, for filing, the following sheets that pertain to Schedule No. 5, Schedule of Rates for Electric Service:

Filed

Canceling

2nd Revised Sheet No. 125
Original Sheet No. 192

1st Revised Sheet No. 125

These sheets are issued May 17, 1991, to become effective June 17, 1991.

Union Electric requests that the Commission expedite its processing of this filing and permit the sheets to become effective sooner than thirty days after the issue date, because: (1) the Commission has already approved the variance application, (2) the effective date of the "Order Granting Variance" was April 23, 1991, and (3) Union Electric is anxious to begin implementation of the approved program.

Pursuant to discussions with Staff, Company has included these sheets in its Schedule No. 5 rather than in a separate schedule for promotional practices. The Company has done so in order to expedite its implementation of the approved program, and Company reserves the right to

***ENERGY EFFICIENT LIGHTING RESEARCH PROGRAM**

This research program is available only to commercial and industrial electric customers for facilities located in St. Louis City and the counties of Franklin, Jefferson, St. Charles and St. Louis.

Company will give a rebate of \$10 per ballast paid directly to customers who retrofit or replace existing fluorescent lighting with certain types of electronic ballasts and fluorescent lamps. New construction is not included in the program. The rebate will be issued to the equipment warranty holder upon confirmation of installation. Customers must purchase a minimum of 100 ballasts in order to qualify, and rebates will be limited to \$5,000 per customer.

Publicity will be given to this program primarily through intermediaries, such as lighting distributors and electrical contractors. Company will develop an informational brochure for customers.

The program will terminate on the earlier occurrence of: (1) budgeted dollars spent; or (2) November 30, 1991.
