To: SBC Local Wholesale Customers

On February 4, 2005, the FCC issued its "TRO Remand Order", concerning the provision of unbundled network elements. As set forth in the TRO Remand Order, specifically in Rule 51.319(d)(2), as of March 11, 2005, CLECs "may not obtain," and SBC and other ILECs are not required to provide access to local circuit switching on an unbundled basis to requesting telecommunications carriers for the purpose of serving end-user customers using DSO capacity loops. Therefore, CLECs may not place, and SBC will no longer provision New, Migration or Move Local Service Requests (LSRs) for Mass Market Unbundled Local Switching and the UNE-P. <sup>2</sup>

Accordingly, as of the effective date of the TRO Remand Order, i.e., March 11, 2005, CLECs are no longer authorized to place, nor will SBC accept, New (including new lines being added to existing Mass Market Unbundled Local Switching/UNE-P accounts), Migration or Move LSRs for Mass Market Unbundled Local Switching/UNE-P. Any New, Migration or Move LSRs placed for Mass Market Unbundled Local Switching/UNE-P on or after March 11, 2005 will be rejected. The effect of the TRO Remand Order on New, Migration or Move LSRs for Mass Market Unbundled Local Switching/UNE-P is operative notwithstanding interconnection agreements or applicable tariffs.

SBC stands ready to negotiate a commercial substitute for unbundled switching in combination with DSO loops (either a short term arrangement as outlined in **CLECALLO5-016**, or a longer
