STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission and for its recommendation states:

1. On November 21, 2007, Lathrop Telephone Company (Lathrop) filed an application with the Commission for approval of an interconnection agreement with Verizon Wireless under the provisions of the Telecommunications Act of 1996.

2. Lathrop stated that there are no unresolved issues and that the agreement complies with Section 252(e) of the Act because it is not discriminatory to nonparty carriers and it is consistent with the public interest.

3. Although Verizon Wireless is a party to the agreement, it did not join in the application, therefore, the Commission joined Verizon as a party on November 27, 2007 in order to ensure a full and fair adjudication of this matter.

4. The federal Telecommunications Act of 1996 provides that an interconnection or resale agreement must be approved unless the Commission determines that the agreement discriminates against a telecommunications carrier not a party to the agreement, or that implementation of the agreement is inconsistent with the public interest, convenience, or necessity.

5. The Staff of the Missouri Public Service Commission has reviewed the proposed agreement and prepared a memorandum, attached hereto as Appendix A.

6. In its memorandum, Staff states that it believes that the proposed agreement meets the limited requirements of the Telecommunications Act of 1996.

7. Specifically, Staff believes that the proposed agreement does not discriminate against telecommunications carriers not a party to the agreement, and the proposed agreement is not against the public interest, convenience, or necessity.

8. Furthermore, Staff recommends that the Commission direct the parties to submit any modifications or amendments to the Commission.

WHEREFORE, the Staff recommends that the Commission approve the interconnection agreement and find that the proposed agreement does not discriminate against telecommunications carriers not a party to the agreement, and the proposed agreement is not against the public interest, convenience, or necessity. Staff further recommends that the Commission direct the parties to submit any modifications or amendments to the Commission.

Respectfully submitted,

/ **Blane Baker**
