Case No. SO-2008-0289

NOTICE OF CORRECTION

October 23, 2008

On October 23, 2008, the Commission issued a Report and Order in this matter.

The syllabus on page four of the order read:

Syllabus: The order: (1) concludes that the Applicants have met their burden of proof of demonstrating that the proposed transfer of assets is not detrimental to the public interest; (2) approves and authorizes the requested transfer of assets, subject to certain conditions; (3) to the extent required by law, authorizes the transfer of stock along with the transfer of assets; **(4)** establishes a cost structure for determination of interim rates and approves those rates; **(4)** declares void all security interests executed on the assets of Stoddard County that lack Commission approval; and, **(5)** directs additional filings to be made by Stoddard County and R. D. Sewer.

The numbering of the listed items was in error, and the syllabus should have read:

Syllabus: The order: (1) concludes that the Applicants have met their burden of proof of demonstrating that the proposed transfer of assets is not detrimental to the public interest; (2) approves and authorizes the requested transfer of assets, subject to certain conditions; (3) to the extent required by law, authorizes the transfer of stock along with the transfer of assets; **(4)** establishes a cost structure for determination of interim rates and approves those rates; **(5)** declares void all security interests executed on the assets of Stoddard County that lack Commission approval; and, **(6)** directs additional filings to be made by Stoddard County and R. D. Sewer.

The order is accordingly corrected nunc pro tunc.
