1. Spectra is a Delaware Limited Liability Company authorized to do business in Missouri, as evidenced by the certificate of authority issued by the Missouri Secretary of State which was filed in Case No. TM-2000-182 and incorporated herein by reference. In support of this Application, Spectra states the following:

I. RESALE AGREEMENT REACHED

Spectra presents to this Commission for approval the Interconnection, Resale and Unbundling Agreement Between Spectra Communications Group, LLC and Missouri Telecom, Inc. ("Agreement") that was negotiated and executed pursuant to the terms of the Act. Following good faith negotiations to address all of the complex issues involved in such an agreement, the parties signed the Agreement on March 31, 2003, and hereby file the Agreement, together with five (5) appendices incorporated therein. There are no outstanding issues between Spectra and MTI that need the assistance of mediation or arbitration.

II. REQUEST FOR APPROVAL

Spectra seeks the Commission's approval of the Agreement, consistent with the provisions of the Act. Spectra believes that the implementation of this Agreement complies fully with Section 252(e) of the Act because the Agreement is consistent with the public interest, convenience and necessity, and does not discriminate against any telecommunications carrier. The Agreement promotes interconnectivity and diversity in providers, and will increase customer choices for telecommunications services.

Spectra respectfully requests that the Commission grant approval of this Agreement, without change, suspension or other delay in its implementation. This is a bilateral agreement, reached as a result of negotiation and compromise between Spectra and MTI.

III. STANDARD FOR REVIEW

The statutory standards of review are set forth in Section 252(e) of the Act, which provides:

APPROVAL BY STATE COMMISSION

- (1) **APPROVAL REQUIRED.** – Any interconnection agreement adopted by negotiation or arbitration shall be submitted for approval to the State commission. A State commission to which an agreement is submitted shall approve or reject the agreement, with written findings as to any deficiencies.
- (2) **GROUND FOR REJECTION.** – The State Commission may only reject –
 - (A) an agreement (or any portion thereof) adopted by negotiation under subsection (a) if it finds that –
 - (i) the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or
 - (ii) the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity;

IV. MISSOURI LEGISLATION

The negotiated and executed Agreement is consistent with Missouri Senate Bill 507, which became effective on August 28, 1996.

WHEREFORE, Spectra Communications Group, LLC respectfully requests the Commission to enter an Order approving its Interconnection, Resale and Unbundling Agreement with Missouri Telecom, Inc.

Respectfully submitted,
