RE: **File No. LA-2012-0169**

Re Application of Spectrotel, Inc. d/b/a Touch Base Communications for  
Certificates of Service Authority in the State of Missouri

Dear Mr. Reed:

This letter is being filed in response to a request from Staff in the above-styled matter.

Touch Base Communications (Company) will undertake all necessary measures to ensure its contracts with underlying carriers do not contain provisions preventing delivery of traffic to any telephone exchange area of Missouri. Such measures include but are not limited to:

- Prevention of call blocking and/or call gapping based on the cost of traffic termination.
- Preventing the alteration or stripping of Calling Party Number identification.
- Ensuring sufficient network capacity exists to process all traffic according to industry accepted practices.

Sincerely,

***/s/ William D. Steinmeier***
