Re: Tariff Filing to Change an Infrastructure System Replacement Surcharge
Case No. GO-2019-0356

Dear Secretary:

On July 15, 2019, Spire Missouri East, an operating unit of Spire Missouri, Inc. ("Company") filed the enclosed P.S.C. MO. No. 7, Third Revised Sheet No. 12, in Appendix A of its *Verified Application and Petition of Spire Missouri Inc. to Change an Infrastructure System Replacement Surcharge for Its Spire Missouri East Service Territory* ("Application and Petition").

This revised tariff sheet, which has an issue date of July 15, 2019 and an effective date of August 14, 2019, was filed to change an Infrastructure System Replacement Surcharge ("ISRS") in accordance with Sections 393.1009, 393.1012 and 393.1015 of the Revised Statutes of Missouri. A full explanation of the surcharge being proposed by the Company is set forth in the Application and Petition. The ISRS rates in the attached tariff sheet were derived from the revenue requirement calculation included in Appendix A, Schedule 8 of the aforementioned Application and Petition. As proposed herein, the ISRS would increase the typical residential heating customer's bill by \$0.96 cents per month.

Please bring this filing to the attention of the appropriate Commission personnel.

Sincerely,

/s/ Scott Weitzel
