**STAFF REPLY IN SUPPORT OF AT&T MISSOURI'S
MOTION TO SUSPEND AND INVESTIGATE TARIFF**

COMES NOW the Staff of the Missouri Public Service Commission ("Staff") and respectfully states as follows:

1. On September 27, AT&T Missouri and Southwestern Bell Telephone Company (collectively "the AT&T Companies") filed Motions to suspend and investigate the tariffs filed in the above-referenced dockets. The Staff supports those requests for suspension.

2. It is the Staff's understanding that the AT&T Companies are working with the Companies that filed the revised tariff sheets and they may arrive at mutually agreeable language. The Staff requests only that it be given at least seven day's notice of any revised language so that it has adequate time to review the language before the tariffs take effect.

WHEREFORE, the Staff respectfully supports the AT&T Companies Motions and requests that, if the Parties reach agreement on the proposed language, the Commission not allow the new language to take effect until at least seven days after its submission.

Respectfully submitted,
