**Case No. TC-2004-0330**

**ORDER GRANTING DEFAULT**

On January 30, 2004, the Staff of the Missouri Public Service Commission filed its Complaint against Respondent WebNet Communications, Inc., alleging that Respondent failed to file its Annual Report for 2002 with the Commission by April 15 of the following year. Staff seeks authority to pursue monetary penalties in circuit court. Section 392.210.1, RSMo, authorizes a penalty of \$100.00 for each day that a required annual report is late. In its second count, Staff urges the Commission to construe Respondent's failure to timely respond to the complaint, should such occur, as its consent to the cancellation of its certificate of service authority and its tariffs.

The Commission issued its Notice of Complaint on February 3, advising Respondent of various options open to it and further advising Respondent that it must

pursue one of these options by March 4, 2004. That date has come and gone and the Commission has received no response or any other contact from Respondent.

The standard for default judgment is in Commission Rule 4 CSR 240-2.070(9). That rule states that if a respondent fails to timely respond to a complaint, the Commission may deem the complaint admitted, and may enter an order granting default.<sup>1</sup> Respondent has not responded to Staff's Complaint. As a result, the Commission finds that Respondent has admitted Staff's allegations, and the Commission will enter an order granting default.

---

**IT IS THEREFORE ORDERED:**

1. That the Commission enters an Order Granting Default in favor of the Staff of the Commission.
2. That the General Counsel of the Commission is directed to immediately bring a penalty action against Respondent WebNet Communications, Inc., in circuit court.
3. That the certificate of service authority and tariffs of Respondent WebNet Communications, Inc., are hereby canceled.

---

<sup>1</sup> That rule also allows the Commission to set aside a default order if the respondent files a motion to set aside the order within 7 days of the order, and if the Commission finds good cause for the respondent's failure to timely respond to the complaint.

4. That this order shall become effective on March 22, 2004.
5. That this case may be closed on March 23, 2004.
