Before the whole commission committee
sprint said they would not do
10.00 a month for 6 months then 2.00
a month; now he changes plans
my offer 16.00 month life line
and 5.00 month on past due Bill
they Backed out on their deal
So I want the same right

• I request an administrative Hearing
with lawyers

and I request that sprints motion
for a dismissal be rejected do
not give sprint no dismissal
I intend to shut sprint down
world wide and start a world
wide campaign on one who uses
sprint and has a past due Bill

Because of medical reasons
