ORDER CANCELLING HEARING

Issue Date: November 28, 2007

Effective Date: November 28, 2007

The Staff of the Missouri Public Service Commission (“Staff”) filed a complaint against Time Warner Cable Information Services (Missouri), LLC, d/b/a Time Warner Cable (“TWC”) on April 23, 2007. According to the complaint, despite repeated assurances that they would be filed forthwith, TWC failed to file a series of quarterly Quality of Service Reports in violation of Commission Rule 4 CSR 240-3.550(5), which requires each company providing basic local telecommunications service to file such reports with the Commission “no later than forty-five (45) days following the end of each quarter.” Staff further sought authorization to bring a penalty action against TWC in circuit court to recover “the maximum statutory forfeiture allowed by section 386.570 RSMo. for each separate, distinct, and continuing violation.”

By order dated July 12, 2007, the Commission adopted a procedural schedule setting the matter for an evidentiary hearing on October 23, 2007. At the outset of the hearing, which commenced as scheduled, counsel for TWC orally moved for a continuance,

explaining, in part, that TWC believed the case could be settled relatively quickly without conducting a full-blown evidentiary hearing. That motion was granted by Commission order dated November 1, 2007, in which the Commission stated that “[a]ssuming the case does not settle before then, an evidentiary hearing on the merits of Staff’s complaint will be held on Friday, November 30, 2007, in Hearing Room 310 beginning at 10:00 a.m.” The Commission also advised TWC that no further continuances would be granted absent extraordinary circumstances, and that it expected the parties to make every reasonable effort to resolve the matter as quickly and fairly as possible.

On November 19, 2007, Staff filed its Motion to Dismiss Complaint and Cancel Hearing, in which it explained that TWC filed updated quarterly quality of service reports for the second and third quarters of 2007 on November 15, 2007. The motion further states that after reviewing the updated reports, Staff found them to be satisfactory and that TWC “is now current on their quarterly quality of service reports,” making a hearing unnecessary. Accordingly, Staff requests that “the Commission issue an Order canceling the hearing currently scheduled for November 30, 2007.” Staff’s request is entirely reasonable and will be granted.

IT IS ORDERED THAT:

1. The evidentiary hearing currently scheduled to take place in this matter on November 30, 2007 is cancelled.

2. This order shall become effective on November 28, 2007.
