Issue Date: January 14, 2008

Effective Date: January 14, 2008

On November 7, 2007, Verizon Wireless (VAW) LLC, Cellco Partnership, St. Joseph Celltelco and CyberTel Cellular Telephone Company filed a complaint against Southwestern Bell Telephone Company, d/b/a AT&T Missouri, alleging that AT&T Missouri has unlawfully denied Verizon Wireless' request to extend their interconnection agreement. The complainants filed a Motion to Stay Proceedings on January 10, 2008.

The complainants state that they and Respondent have reached an agreement regarding the extension of a Commission-approved interconnection agreement, and that such agreement is pending before the Commission. Further, they state that if the Commission approves the agreement, the issues in this case will become moot. Finally, the complainants state that Respondent does not object to the motion.

The Commission finds the motion reasonable, and will grant it.

IT IS ORDERED THAT:

1. The Motion to Stay Proceedings filed by Verizon Wireless (VAW) LLC, Cellco Partnership, St. Joseph Celltelco and CyberTel Cellular Telephone Company is granted.
2. The parties are relieved from any further activity in this case until further notice.
3. This order shall become effective on January 14, 2008.
