Dear Secretary:

Enclosed herewith for filing with the Missouri Public Service Commission are the following revised tariff sheets which are applicable to both divisions of Laclede Gas Company ("Company"):

P.S.C. MO. No. 5 Consolidated
Third Revised Sheet No. 18-a
Two Hundred and Eighth Revised Sheet No. 29

These revised tariff sheets have an issue date of January 5, 2006 and an effective date of January 20, 2006.

Sheet No. 29 reflects a change in the Company's Current Purchased Gas Adjustment ("CPGA") as provided by Sheet Nos. 15 through 28-h of the Company's tariff for the Company's natural gas customers. Such sheet also reflects a change in the CPGA for the Company's subdivision propane customers.

Sheet No. 18-a has been revised for housekeeping reasons so that the base CPGA rates in such sheet conform to the CPGA rates the Commission approved to be effective October 1, 2005 in connection with the resolution of the Company's last general rate case.

As a result of this filing, the Company's underlying charge for gas for firm sales customers will decrease by approximately \$.10 per therm from \$1.13 to \$1.03 primarily due to the recent drop in wholesale natural gas prices that has occurred since the Company established the PGA factors that became effective in November 2005.

The natural gas PGA rates provided herein will decrease the natural gas bill of the typical residential heating customer by approximately \$19 per month during the January through March period, or 7% compared to existing rates.

Sincerely,

Kenneth J. Neises
Executive Vice President
Energy & Administrative Services
