**OF THE STATE OF MISSOURI**

In the Matter of Airespring, Inc., and Southwestern     )  
Bell Telephone Company, L.P., d/b/a AT&T Missouri     )  
for Approval of an Interconnection Agreement     )

**Case No. TK-2007-0481**

**ORDER DIRECTING NOTICE AND MAKING SOUTHWESTERN BELL  
TELEPHONE, L.P., D/B/A AT&T MISSOURI A PARTY**

Issue Date: June 18, 2007

Effective Date: June 18, 2007

**Syllabus:** This order provides notice of this application to interested parties and joins the other party to the interconnection agreement, Southwestern Bell Telephone, L.P., d/b/a AT&T Missouri ("AT&T Missouri"), as a party to this proceeding.

On June 13, 2007, Airespring, Inc., ("Airespring") filed an application with the Commission for approval of an arbitrated interconnection agreement with AT&T Missouri; the "AT&T-13 State Interconnection Agreement" executed on April 16, 2007. Although AT&T Missouri is a party to the agreement, it did not join in the application. Because AT&T Missouri is a necessary party to a full and fair adjudication of this matter, the Commission will add AT&T Missouri as a party to this case.

Section 252(e) of the federal Telecommunications Act of 1996 ("Act") requires the agreement to be consistent with the public interest, convenience and necessity, and not discriminatory to nonparty carriers. The Act provides that an interconnection agreement must be approved unless the state commission finds that the agreement discriminates against a telecommunications carrier not a party to the agreement, or that implementation

of the agreement is not consistent with the public interest, convenience, and necessity.<sup>1</sup> Section 252(e)(4) of the Act provides that if the Commission has not approved an arbitrated agreement within 30 days after submission, the agreement shall be deemed approved. Therefore, the Commission will proceed with this case expeditiously. The Commission finds that proper persons should be allowed 9 days from the issuance of this order to file a motion for hearing. The Commission also finds that notice of this application should be sent to all interexchange and local exchange telecommunications companies.

**IT IS ORDERED THAT:**

1. The Commission's Data Center shall send notice to all interexchange and local exchange telecommunications companies.
2. Southwestern Bell Telephone, L.P., d/b/a AT&T Missouri is made a party to this case.
3. That any party wishing to intervene or request a hearing shall do so by filing a pleading no later than June 27, 2007 with:
