

**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

In the Matter of the Application of Laclede       )  
Gas Company to Transfer an Asset to Spire       )   **Case No. GM-2017-0018**  
Pipeline, Inc.   )

**SECOND STATUS REPORT**

**COMES NOW** Spire Missouri Inc., formerly known as Laclede Gas Company (“Laclede” or “Company”) and files this Second Status Report, stating:

1.       On April 10, 2017, the Commission issued its Order Staying Proceedings in this case. Pursuant to that order, on May 1, 2017, Laclede filed a status report describing developments at the FERC relevant to Laclede’s Line 880. Specifically, Laclede reported that Spire STL Pipeline LLC (“Spire STL”) had filed an amended application at the FERC indicating that the purchase of Laclede’s Line 880 was no longer Spire STL’s preferred alternative.

2.       On May 11, 2017, the Commission issued an order continuing the stay and directing Laclede to file a report by December 1, 2017 if Laclede had not sooner dismissed its application.

3.       Accordingly, Laclede provides this status report and states that the Spire STL proceeding at the FERC is still pending and that Line 880 continues to be only a secondary alternative.

4.       Laclede requests that the Commission continue the stay in this case pending the FERC’s ruling on Spire STL’s amended application. Laclede again proposes to either dismiss its application or file another status report by March 1, 2018.

WHEREFORE, Laclede respectfully requests that the Commission accept this Status Report and grant its request herein.

Respectfully Submitted,
