 the Greenwood Exchange Part of the Mandatory MCA )  
 Tier 2. )

On April 29, 2005, Public Counsel filed its final recommendation in which it indicated that no changes to its original request should be made. Public Counsel did indicate that it believed a mandatory per month charge of \$2.00 for residential customers and \$3.00 for business customers in the Greenwood exchange would be reasonable. In its order on September 27, 2005, the Commission granted Public Counsel's motion to set a local public hearing in this matter. The Commission will set the local public hearing as directed below. At this hearing, members of the public may appear and offer their comments regarding the proposal to the Commission. In addition, the Commission will direct its Public Information Office to provide notice of this hearing to the press and the members of the legislature in the Greenwood exchange.

The public hearing will be held in a facility that meets the accessibility requirements of the Americans with Disabilities Act. Any person who needs additional accommodation to participate in a hearing should call the Public Service Commission's Hotline at 1-800-392-4211 (voice) or Relay Missouri at 711 prior to the hearing.
