ORDER GRANTING INTERVENTION

Issue Date: March 7, 2007

Effective Date: March 7, 2007

On February 14, 2007, Socket Telecom, LLC and Socket Holdings Corporation d/b/a Socket Internet filed a Request to Suspend or Reject Proposed Tariff Sheet. The Commission granted Socket's request, and suspended the above-referenced tariffs filed by Century Tel of Missouri, LLC d/b/a CenturyTel and Spectra Communications Group, LLC d/b/a CenturyTel.

On February 21, Chariton Valley Telecom Corporation and Mark Twain Communications Company filed their File Application to Intervene. The applicants stated that they are competitors of CenturyTel and Spectra, and that they object to the tariffs.

Commission Rule 4 CSR 240-2.080(15) allows parties ten days to respond to motions. No party timely responded to the application. Therefore, the Commission will take it up unopposed.

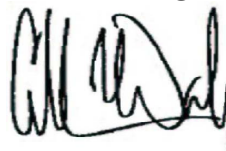

Commission Rule 4 CSR 240-2.075(4) allows the Commission to grant intervention to a person who has an interest different from that of the general public and which may be adversely affected by a final order arising from the case, or if granting

intervention would serve the public interest. Upon review of the unopposed application, the Commission finds that Chariton Valley Telecom and Mark Twain Communications meet the standard in Commission Rule 4 CSR 240-2.075(4). Therefore, the Commission will grant the application, and will allow the applicants to intervene.

IT IS ORDERED THAT:

1. The Application to Intervene of Chariton Valley Telecom Corporation and Mark Twain Communications Company is granted, and that Chariton Valley Telecom Corporation and Mark Twain Communications Company are now parties to this case.
2. This order shall become effective on March 7, 2007.
