EM-2000-292

Mr. Roberts:

Enclosed are three copies of the sheets listed below, for filing on behalf of Saint Joseph Light & Power ("SJLP"), a division of UtiliCorp United Inc. ("UCU"), adopting the existing tariff sheets of SJLP. Although the sheets show an effective date of January 21, 2001, UCU is asking for expedited treatment of the tariffs sheets for an effective date of December 30, 2000. There is good cause for this request in that the effective order date of Case Number EM-2000-292, the merger between UCU and SJLP, is December 27, 2000. The official closing date of the merger is December 29, 2000. Therefore the date in which UCU will take over the St. Joseph operations is December 30th. These tariffs are filed pursuant to the Commission's Report and Order in its Case No. EM-2000-292.
