MOTION FOR PROTECTIVE ORDER

Comes now Lockheed Martin Global Telecommunications Services, Inc., Respondent in the leading consolidated case above captioned, (hereinafter "Respondent" or "LMGTS"), by its undersigned counsel, and pursuant to 4 CSR 240-2.085 hereby files this Motion for a Protective Order ("Motion") LMGTS submits this Motion for the purpose of seeking the confidential treatment of a sum identified in paragraph 3 of the Unanimous Stipulation and Settlement Agreement (Stipulation) filed simultaneously with this motion.

In support of this Motion, LMGTS states the following:

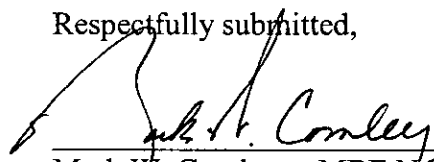

1. One of LMGTS' agreements under the Stipulation is a payment in lieu of penalty to a named public school district in Missouri. In LMGTS's estimation, the amount to be paid is a generous sum and, from an accounting perspective represents an extraordinary expenditure for this company.

2. LMGTS seeks protection of this amount from public disclosure because if the settlement is publicly known, it may expose the company to unwarranted demands for compensation or damages by persons or entities with questionable claims. Moreover, LMGTS is affiliated with a publicly traded company and the public disclosure of this settlement and its explanation by management in a public forum may confuse, rather than fairly inform, investors and others with an interest in the company. LMGTS considers the better course to report this settlement as required by financial regulators and advisors in due course.

3. The matter sought to be protected is part of a stipulated settlement of a dispute between Staff and LMGTS and cannot be found in any public document.

WHEREFORE, LMGTS respectfully requests that the Commission grant its Motion for Protective Order with respect to the amount redacted in paragraph 3 of the Stipulation.

Respectfully submitted,

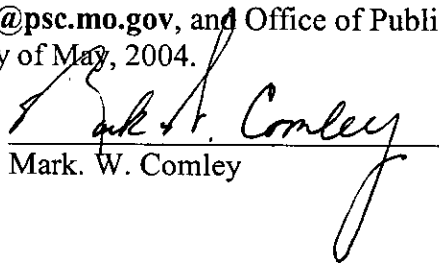

Mark W. Comley MBE No. 28847
