

Expanded Local Calling Plan

End-user customers of BPS will be able to call end-user customers located in the following exchanges as part of their local exchange rate (i.e., without incurring a toll charge).

Originating Exchange	Terminating Exchange	Terminating Carrier
Bernie	Parma	BPS
	Malden	SBC
Parma	Bernie	BPS
	Risco	SBC
	New Madrid	SBC
	Lilbourn	SBC
	Essex	SBC
Steele	Caruthersville	SBC
	Hornersville	SBC
	Deering	SBC

- Calls will be dialed on a local (i.e., seven digit) basis.
- The plan is limited to voice traffic and not available for internet and data calling.
- Estimated cost of the plan is \$379,993.
