Subject: Staff Recommendation for Approval of Amendment to Interconnection Agreement

Date: October 12, 2006

Date Filed: September 13, 2006

Staff Deadline: October 16, 2006

The Telecommunications Department Staff (Staff) recommends the Parties be granted approval of the submitted:

- ☐ Interconnection Agreement
- ☒ Amendment not previously approved

The parties submitted the proposed Agreement or Amendment to the Missouri Public Service Commission (Commission) pursuant to the terms of the Telecommunications Act of 1996 (Act). Staff has reviewed the proposed Agreement and believes it meets the limited requirements of the Act. Specifically, the Agreement: 1) does not discriminate against telecommunications carriers not party to the Agreement and 2) is not against the public interest, convenience or necessity. Staff recommends the Commission direct the Parties to submit any modifications or amendments to the Commission.

☐ The applicants have not submitted a serially numbered copy of the Agreement or Amendment. Staff recommends the Commission direct the Parties to submit a serially numbered copy of the Agreement or Amendment.

☒ Staff has a serially numbered copy of the Agreement or Amendment.

Additional Interconnection Agreement or Amendment Review Items

☒ No applications to intervene filed.

☒ Agreement or Amendment signed by both Parties.

Additional recommendations or special considerations (if any):

Although the application requests the Commission issue an Order to Recognize the Adoption of the Interconnection Agreement and approve the First Addendum to the Interconnection Agreement, the Staff recommends that the Commission's Order approve only the Amendment (Addendum). Pursuant to 4 CSR 240-3.513(4)(A), adoption of Interconnection Agreements Previously Approved by this Commission are deemed approved on the date they are properly submitted. The parties filed a letter indicating that Rystec, Inc. was adopting an agreement previously approved by the Commission in Case No. TK-2006-0125 and included a copy of the signature page signed by both parties to the adoption. Thus, pursuant to Commission rules, the Adoption of the Interconnection Agreement is deemed approved on September 13, 2006.

☒ The Company is not delinquent in filing an annual report and paying the PSC assessment.

☐ The Company is delinquent. Staff recommends the Commission grant the requested relief/action on the condition the applicant corrects the delinquency. The applicant should be instructed to make the appropriate filing in this case after it has corrected the delinquency.

(☐ No annual report ☐ Unpaid PSC assessment. Amount owed:)
