VERIFIED APPLICATION OF UWUA LOCAL 335 TO INTERVENE

COMES NOW Utility Workers Union of America Local 335, AFL-CIO ("Local 335"), by counsel, and respectfully applies to this Commission for permission to intervene in this proceeding pursuant to 4 CSR 240-2.075. In support of this application, Local 335 states:

1. This matter involves an application filed by Missouri-American Water Company ("MAWC") requesting a general rate increase.

2. Local 335 is a labor organization that represents approximately 400 employees of MAWC.

3. Local 335 is an unincorporated association. However, since labor unions are not required to register their names as fictitious names with the Missouri Secretary of State, Local 335 does not have evidence of any such registration. Further, Local 335 does not have an office or place of business in any traditional sense. In general, persons wishing to contact Local 335 may contact the union through its president at the address listed here:

Allen Bathon
35 St. Edward Lane
Florissant, MO 63033

Since all Local 335 officers are employees of MAWC, the water company can easily contact them, and company-union business may be conducted at the water company's

offices.

4. Though Local 335 is an “association,” it does not seem to be the type of association to which 4 CSR 240-2.060(1)(J) and 4 CSR 240-2.075(3) are directed. It does not appear to be the intent of those regulatory subsections for Local 335 to file a list of all of its members, and Local 335 hereby respectfully requests a waiver of complying with said requirement. Should this Commission determine that Local 335 must comply with the subsection, the required list will be tendered immediately.

5. All correspondence, communications, orders, and decisions of the Commission here should be sent to:

(314) 727-6804 (Fax)
gcampbell@hammondshinners.com

6. Local 335 does not have any pending actions or final unsatisfied judgments or decisions against it as contemplated by 4 CSR 240-2.060(1)(K).

7. Local 335 does not have any annual reports or assessment fees that are overdue.

8. Local 335 seeks permission to intervene in this matter pursuant to 4 CSR 240-2.075.

9. As the exclusive collective bargaining representative of certain of MAWC's non-managerial, non-professional employees, Local 335 and the employees it represents have interests in this proceeding which are clearly different from those of MAWC, the general public, or any other party. Where the public's interests here are concentrated in the dependable delivery of clean, untainted water at a reasonable cost, Local 335 and the

employees it represents are additionally concerned with the impact the proposed general rate increase could have on jobs, pensions, and other terms and conditions of employment. These separate interests could be adversely affected by a final order arising from the case.

10. No other party to this proceeding can adequately represent the additional, legitimate concerns of Local 335 and the employees it represents here.

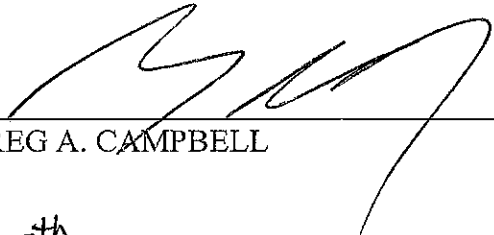

WHEREFORE, USW Local 335 respectfully asks the Commission to grant this application and to permit Local 335 to intervene here.

Respectfully submitted,

/s/ Greg A. Campbell
