ORDER DIRECTING FILING

Issue Date: October 31, 2006

Effective Date: October 31, 2006

On August 23, 2006, Big River Telephone Company, LLC, filed a complaint against Southwestern Bell Telephone, L.P., d/b/a AT&T Missouri, alleging that AT&T Missouri had charged Big River amounts for local switching and loops beyond the rates set forth in a Commission-approved interconnection agreement. Big River and the Commission's Staff now request that the Commission stay these proceedings pending appeal of the federal district court order reversing the Commission's interconnection agreement order. AT&T Missouri opposes a stay.

The Commission will order Staff and Big River to verify whether they timely appealed the federal district court's order, and to respond to AT&T Missouri's assertion that a Commission stay of this proceeding would violate the federal court's order.

IT IS ORDERED THAT:

1. The Staff of the Commission and Big River Telephone Company, LLC, shall respond as ordered above no later than November 10, 2006.
2. This order shall become effective on October 31, 2006.
