## ORDER DENYING MOTION FOR PROTECTIVE ORDER

Issue Date: February 2, 2007 Effective Date: February 2, 2007

On February 1, 2007, Comcast IP Phone, LLC, filed a motion asking the Commission to issue its standard protective order to establish the means by which confidential information can be protected from disclosure to the public and competing companies. On January 30, 2007, the Commission's new rule concerning the handling of confidential information, 4 CSR 240-2.135, went into effect. That rule supplants the standard protective order that the Commission has routinely issued in the past. As a result, the protective order sought by Comcast IP Phone is no longer necessary, and the motion asking for such an order will be denied.

## IT IS ORDERED THAT:

1. Comcast IP Phone, LLC's Motion for Protective Order is denied.

2. This order shall become effective on February 2, 2007.

BY THE COMMISSION

Colleen M. Dale Secretary

(SEAL)

Morris L. Woodruff, Deputy Chief Regulatory Law Judge, by delegation of authority pursuant to Section 386.240, RSMo 2000.

Dated at Jefferson City, Missouri, on this 2nd day of February, 2007.
