FAIRFAX R-3 SCHOOL DISTRICT’S APPLICATION TO INTERVENE

COMES NOW Fairfax R-3 School District (“District”), by and through its counsel, Mickes O’Toole, LLC, and for its Application to Intervene, pursuant to Missouri Public Service Commission Rule 4 CSR 240-2.075, states as follows:

1. The District is a political subdivision created under the laws of the State of Missouri as a board-directed school district located in Atchison County, Missouri.
2. The District is represented by counsel signed hereunder.
3. The District receives revenue from the assessment of state and local taxes.
4. The District is interested in this matter because any final order issued in this case may reduce general revenue payable to the District as a result of changes requested by Petitioner. Such reduction in tax revenues will have a permanent and direct adverse impact on District operations and the services provided to the students of the District.
5. The District opposes the relief sought by the Petitioner as it is currently requested.

WHEREFORE, the Fairfax R-3 School District respectfully requests that this Commission grant its Application to Intervene, along with any further relief the Commission deems just and proper.

Respectfully submitted,

MICKES O'TOOLE, LLC
