ORDER RESCHEDULING HEARING

Issue Date: May 28, 2009

Effective Date: May 28, 2009

Socket Telecom, LLC's complaint against CenturyTel of Missouri, LLC, and Spectra Communications Group, LLC, d/b/a CenturyTel is set for hearing on June 3-5, 2009. On May 27, Socket and CenturyTel filed a joint motion asking the Commission to reschedule the hearing to June 22-24. The motion explains the companies have resumed serious negotiations toward a possible settlement and request more time to continue to negotiate that settlement. The motion also represents that the Commission's Staff, the third party to this complaint, does not object to rescheduling the hearing.

The Commission will reschedule the hearing to allow the parties more time to negotiate a possible settlement. The current procedural schedule requires the parties to file statements of position on May 27. That requirement will also be delayed.

The hearing will begin at 2:00 p.m. on June 22 with opening statements. Cross-examination of witnesses will begin at 8:30 a.m. on June 23.

THE COMMISSION ORDERS THAT:

1. The procedural schedule is modified to provide as follows:

Statements of Position	- June 16, 2009
Hearing	- June 22, 23, & 24, 2009, beginning at 2:00 p.m. on June 22 and 8:30 a.m. each day thereafter

2. This order shall become effective upon issuance.
