ORDER GRANTING INTERVENTION

Issue Date: October 22, 2013

Effective Date: October 22, 2013

On September 9, 2013¹, P.C.B, Inc., (“P.C.B”) initiated a small company revenue increase request pursuant to Commission Rule 4 CSR 240-3.050. On October 9, the Missouri Department of Natural Resources filed an Application to Intervene.

Commission Rule 4 CSR 240-2.080(15) allows parties ten days to respond to motions. No party responded to the application. Therefore, the Commission will take up the application unopposed.

Commission Rule 4 CSR 240-2.075(4) allows the Commission to grant intervention to a person who has an interest different from that of the general public and which may be adversely affected by a final order arising from the case, or if granting intervention would serve the public interest. Upon review of the unopposed application, the Commission finds that the applicant meets the standard in Commission Rule 4 CSR 240-2.075(4). Therefore, the Commission will grant the application to intervene.

1. The Application to Intervene filed by The Missouri Department of Natural Resources is granted.
