**ORDER GRANTING EXTENSION OF TIME TO FILE**  
**ANNUAL REPORT OUT OF TIME**

Issue Date: April 25, 2006

Effective Date: May 5, 2006

**Syllabus:** This order grants Central Rivers Wastewater Utility, Inc. an extension of time in which to file its annual report.

On April 13, 2006, Central Rivers filed an Application for an Extension to File Annual Report requesting that the Commission grant it an extension of time to file its 2005 Annual Report. The company alleged it could not meet the April 15, 2006 deadline because its accountant had not been able to compile the required information and documentation to file the annual report due to the tax season. Central Rivers stated that it will file its report no later than July 15, 2006.

The Staff of the Missouri Public Service Commission filed a recommendation in support of the company's request. Staff also requested that Central Rivers be directed to attach the Commission's order to the annual report when filed. No other response was received.

The Commission finds that good cause exists to permit Central Rivers to file its annual report out of time. Therefore, the Commission will grant the company's motion. The

Commission will order Central Rivers to file its annual report no later than July 15, 2006, and to attach a copy of this order to that filing.

**IT IS ORDERED THAT:**

1. Central Rivers Wastewater Utility, Inc. is granted an extension of time until July 15, 2006, in which to file its annual report.
2. Central Rivers Wastewater Utility, Inc shall attach a copy of this order to its 2005 Annual Report when filed.
3. This order shall become effective on May 5, 2006.
