Subject: RE: Hypercube Access Tariff

Hi Bill,

I have revised the effective date in the footers of this tariff to show a October 10, 2011 date. How do you want me to file this? Does the Commission need a letter asking for a deferral in the effective date. Does the entire tariff need to accompany the letter? Should we wait until all issues are settled and then file everything again?

Please let me know what you think.

Thank you,

Lorri Wright
