Re: GO-2016-0197

Dear Secretary:

Enclosed for filing is P.S.C. MO. No. 6, Sixth Revised Sheet No. 10, which is applicable to the Missouri Gas Energy ("MGE") Service Areas of Laclede Gas Company.

This revised tariff sheet, which has an issue date of May 19, 2016 and an effective date of June 18, 2016, is being filed to change the Infrastructure System Replacement Surcharge ("ISRS") in accordance with Sections 393.1009, 393.1012 and 393.1015 of the Revised Statutes of Missouri. The tariff sheet is in compliance with the Commission's Report and Order setting ISRS amounts, rejecting tariff, and directing the filing of a new tariff in Case No. GO-2016-0197. Per the Report and Order, MGE is requesting an effective date of May 31, 2016. As proposed herein, the ISRS would increase the typical residential heating customer's bill by 52 cents per month or less than 1%.

Please bring this filing to the attention of the appropriate Commission personnel.

Sincerely,

/s/ L. Craig Dowdy
