Re: Case No. TO-2004-0207

Upon calling the Missouri PSC, I spoke with Mr. Art Kuss and was instructed to send a letter explaining that BasicPhone, Incorporated is a non-facilities based reseller in the State of Missouri, serving the ILEC territories facilitated by Southwestern Bell.

Should the provided data not be sufficient to meet compliance, please contact me at the telephone number above.

Respectfully submitted,

A handwritten signature in cursive script that reads "Shari' Harris".
