ORDER DIRECTING NOTICE, SETTING INTERVENTION DEADLINE, AND MAKING METROPOLITAN TELECOMMUNICATIONS OF MISSOURI A PARTY

Issue Date: June 20, 2013

Effective Date: June 20, 2013

Syllabus: This order provides notice of this application to interested parties, establishes a deadline for intervention and for requesting a hearing, and joins the other party to the resale agreement, Metropolitan Telecommunications of Missouri, Inc., d/b/a MetTel (“MetTel”), as a party to this proceeding.

On June 20, 2013, Windstream Missouri, Inc. (“Windstream”) filed an application with the Commission for approval of a negotiated resale agreement with MetTel under the provisions of the federal Telecommunications Act of 1996. Windstream states that there are no unresolved issues and that the agreement complies with Section 252(e) of the Act in that it is consistent with public interest, convenience and necessity, and not discriminatory to nonparty carriers.

Although MetTel is a party to the agreement, it did not join in the application. Because MetTel is a necessary party to a full and fair adjudication of this matter, the Commission will add MetTel as a party to this case.

The Act provides that an interconnection or resale agreement must be approved unless the state commission finds that the agreement discriminates against a telecommunications carrier not a party to the agreement, or that implementation of the agreement is not consistent with the public interest, convenience, and necessity.¹ Section 252(e)(4) of the Act provides that if the Commission has not approved an agreement within 90 days after submission, the agreement shall be deemed approved. The Commission finds that proper persons shall be allowed 15 days from the issuance of this order to file a motion for hearing. The Commission also finds that notice of this application shall be sent to all interexchange and local exchange telecommunications companies.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall send notice to all interexchange and local exchange telecommunications companies.
2. Metropolitan Telecommunications of Missouri, Inc., d/b/a MetTel is made a party to this case.
3. Any party wishing to intervene or request a hearing shall do so by filing a pleading no later than July 8, 2013, with:

Morris L. Woodruff, Secretary

Post Office Box 360

¹ 47 U.S.C. § 252(e).
