of the Telecommunications Act of 1996)

ORDER DIRECTING NOTICE AND MAKING NAVIGATOR TELECOMMUNICATIONS, LLC A PARTY

Issue Date: November 2, 2010

Effective Date: November 2, 2010

This order provides notice of this application to interested parties and joins the other party to the interconnection agreement, Navigator Telecommunications, LLC, as a party to this proceeding.

On October 29, 2010, Embarq Missouri, Inc., d/b/a CenturyLink filed an application with the Commission for approval of an interconnection agreement with Navigator under the provisions of the federal Telecommunications Act of 1996. CenturyLink states that there are no unresolved issues and that the agreement complies with Section 252(e) of the Act in that it is not discriminatory to nonparty carriers and is consistent with the public interest.

Although Navigator is a party to the agreement, it did not join in the application. Because Navigator is a necessary party to a full and fair adjudication of this matter, the Commission will add it as a party to this case.

The Act provides that an interconnection or resale agreement must be approved unless the state commission finds that the agreement discriminates against a telecommunications carrier not a party to the agreement, or that implementation of the

agreement is not consistent with the public interest, convenience, and necessity.¹ Section 252(e)(4) of the Act provides that if the Commission has not approved an agreement within 90 days after submission, the agreement shall be deemed approved. The Commission finds that proper persons shall be allowed 20 days from the issuance of this order to file a motion for hearing. The Commission also finds that notice of this application shall be sent to all interexchange and local exchange telecommunications companies.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall send notice to all interexchange and local exchange telecommunications companies.
2. Navigator Telecommunications, LLC is made a party to this case.
