**Case No. TK-2006-0262**

**ORDER DIRECTING NOTICE AND MAKING**  
**CAMARATO DISTRIBUTING, INC. A PARTY**

Issue Date: January 9, 2006

Effective Date: January 9, 2006

This order provides notice of this application to interested parties and joins the other party to the interconnection agreement, Camarato Distributing, Inc. as a party to this proceeding.

On December 16, 2005, Southwestern Bell Telephone, L.P. d/b/a AT&T Missouri filed an application with the Commission for approval of its Interconnection Agreement with Camarato Distributing, Inc. under the provision of the federal Telecommunications Act of 1996.

Although Camarato Distributing, Inc. is a party to the agreement, it did not join in the application. Because Camarato is a necessary party to a full and fair adjudication of this matter, the Commission will add Camarato as a party to this case.

The Act provides that an interconnection agreement must be approved unless the state commission finds that the agreement discriminates against a telecommunications carrier not a party to the agreement, or that implementation of the agreement is not

consistent with the public interest, convenience, and necessity.<sup>1</sup> Section 252(e)(4) of the Act provides that if the Commission has not approved an agreement within 90 days after submission, the agreement shall be deemed approved. Therefore, the Commission will proceed with the case expeditiously. The Commission finds that proper persons shall be allowed 20 days from the issuance of this order to file a motion for hearing. The Commission also finds that notice of this application shall be sent to all interexchange and local exchange telecommunications companies.

**IT IS THEREFORE ORDERED:**

1. That the Commission's Data Center shall send notice to all interexchange and local exchange telecommunications companies.
2. That Camarato Distributing, Inc. is made a party to this case.
3. That any party wishing to request a hearing shall do so by filing a pleading no later than January 30, 2006, with:
