Missouri Public  
Service Commission

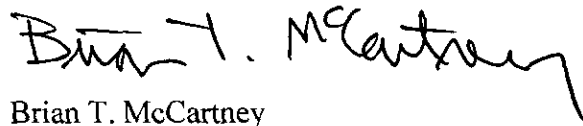

**Re: Case No. TO-2004-0445**  
**- Fidelity Telephone Company**

Dear Mr. Roberts:

On March 2, 2004, we filed with the Commission the application of Fidelity Telephone Company for Approval of a Traffic Termination Agreement under the Telecommunications Act of 1996. Upon review, it was noted that some language was inadvertently omitted from Appendix 2. Accordingly, enclosed for substitution, please find nine (9) copies of Appendix 2 which we ask be substituted for the page previously filed with the Commission.

Please see that this filing is brought to the attention of the appropriate Commission personnel. A copy of this filing is being provided to parties of record. If there are any questions, please direct them to me at the above number. I thank you in advance for your cooperation in this matter.

Sincerely,

  
Brian T. McCartney

APPENDIX 2 to the Agreement between Fidelity Telephone Company (ILEC) and Cingular  
Southwestern Bell Wireless, LLC.

Pursuant to Section 5.2 the land-to-mobile traffic factor is 10% of total traffic exchanged; i.e., 11.11% of mobile-originated traffic.

Pursuant to Section 5.3, the interMTA percentage is 0%.
