SECTION 6.0 - ADDITIONAL SERVICES**6.4 Busy Verification and Interrupt Service****6.4.1 General**

Upon request of a calling party, the Company will verify a busy condition on a called line. An operator will determine if the line is clear or in use and report to the calling party. In addition, the operator will intercept an existing call on the called line if the calling party indicates an emergency and requests interruption.

6.4.2 Rate Application**a) A Verification Charge will apply when:**

1. The operator verifies that the line is busy with a call in progress, or
2. The operator verifies that the line is available for incoming calls.

b) Both a Verification Charge and an Interrupt Charge will apply when the operator verifies that a called number is busy with a call in progress and the Customer requests interruption. The operator will interrupt the call advising the called party of the name of the calling party and the called party will determine whether to accept the interrupt call. Charges will apply whether or not the called party accepts the interruption.

c) No charge will apply when the calling party advises that the call is from an official public emergency agency.

SECTION NO. 10
ORIGINAL SHEET 1

GENERAL

- A. Operator Services is the provision of certain types of operator assistance features for the convenience of the Telephone Company's customers. These features include, but are not limited to, such items as busy verification service, local operator assisted calls, selective class of call screening, and directory assistance calls. The types of available features offered may be expanded or deleted from time to time when determined to be in the best interest of the Telephone Company or its customers.
- B. The Telephone Company does not undertake to actually provide the services as set forth in this section. As a service to its customers the Telephone Company has contracted with third parties to make the offerings contained herein available for those customers requiring them. The rates and charges apply only when costs are passed on to the Telephone Company by contractor(s).
- C. No liability shall accrue to the Telephone Company for errors or omissions during the use of operator services except for the rates and charges for each type of service, in which case its liability shall be limited to a refund at the applicable nonrecurring charge or monthly rate for the time the error or omission occurred, after reasonable notice in writing to the Telephone Company.
- D. The customer indemnifies and holds the Telephone Company harmless from any and all liability, damages, losses, claims or demands arising from any actions, omissions, mistakes, or negligence of any kind occurring from the use of operator services.

LOCAL OPERATOR ASSISTANCE

A. GENERAL

1. Local Telecommunications Service is that of furnishing telephone communications within local service areas.
2. Local operator assistance is furnished to customers upon request in order to complete local calls.
3. For the purpose of rate application, local operator assistance charges are categorized as follows: Calling Card, Operator Station, and Person-to-Person calls.
 - a. Calling Card calls - The customer dialed Calling Card rate is applicable to "0+" calls which are completed by the caller or the operator and are billed to the caller's calling card or special billing number. This rate is also applicable when no automatic recording equipment for operator assisted calls is available in order to complete a calling card or special billing number call.
 - b. Operator Station calls - The Operator Station rate is applicable when calls are completed with the assistance of a Company operator, except as specified for the customer dialed Calling Card or Person-to-Person type calls. Customer dialed "0-" calls where the operator completes the call and arranges billing are charged the Operator Station rate. The call can be billed to the originating telephone number, a calling card, the called number (collect), or to a third number.

Operator Station calls also include "0+" calls when the customer is placing a collect or billed to third number call.
 - c. Person-to-Person calls - The Person-to-Person rate applies to customer dialed "0-" calls where the operator completes the call to a designated person or extension. The call can be billed to the originating telephone number, calling card, the called number (collect), or to a third number.
4. Dial Station-to-Station class of service applies to operator station-to-station calls placed sent paid from residence service lines or trunks which are certified by a qualified authority as services of persons who are disabled and unable to dial telephone numbers. All station-to-station calling card calls charged to the certified line are subject to the charges in B.1. following.

.3 Directory Assistance

Customers may obtain directory assistance in determining local telephone numbers (T)
by calling the Directory Assistance (DA) operator. A maximum of two (N)
requested telephone numbers will be provided for each Directory Assistance
call. (N)

When a customer requests operator assistance to place a call to Directory (N)
Assistance, the Local Operator Assistance charge applies in addition to the
Directory Assistance charge.

Calls to Directory Assistance from lines of customers who have been certified
by a registered physician or recognized agency as unable to use a directory
because of a physical handicap are not subject to charge.

A Directory Assistance call may be alternately billed collector to a third (N)
number.

.1 Credits

A credit will be given for calls to Directory Assistance when:

- .1 the Customer experiences poor transmission or is cut-off during the call.
- .2 the Customer is given an incorrect telephone number, or the Customer
inadvertently misdials an incorrect Directory Assistance NPA.
- .3 To receive a credit, the Customer must notify the Directory Assistance operator
or the Company's Customer Service of the problem experienced.

5. PRODUCT DESCRIPTIONS AND RATES (Continued)

.4 Operator Services (Continued)

.2 Local Operator Assistance (Continued)

Station-to-Station calls may be operator handled, partially automated or fully automated. Person-to-Person calls may be operator handled or partially automated.

(N)

.1 Operator Handled

Operator Handled service occurs when the person originating the call dials zero or a special access number (e.g., an 800/888 number), and the operator dials the number and collects billing information for completion of the call. Non-automated service includes service that is not fully automated or semi-automated. When an operator re-establishes a non-automated call which has been interrupted due to a problem on the network after the called number has been reached, no additional operator service charge shall apply.

.2 Partially Automated

Partially Automated service occurs when the person originating the call dials zero or a special access number (e.g., an 800/888 number), then dials the desired telephone number, and the operator collects billing information for completion of the call. When an operator re-establishes a semi-automated call which has been interrupted due to a problem on the network after the called number has been reached, no additional operator service charge shall apply.

DIRECTORY ASSISTANCE SERVICES

3.2 DIRECTORY ASSISTANCE SERVICE

3.2.1 DESCRIPTION

Directory Assistance Service, as offered by the Company, allows customers to obtain help in determining listed telephone numbers by calling a Directory Assistance Service number. A Directory Assistance Service charge applies to calls made to intrastate Directory Assistance Service numbers foreign to the NPA in which the customer is located or for which Company facilities are used. A maximum of two requests may be made on each call to Directory Assistance Service. Customers may access the service by dialing the area code (NPA) for the telephone number desired plus 555-1212.

3.2.2 APPLICATION OF CHARGES

A. Directory Assistance Charge

This Directory Assistance Charge applies to all requests made to the Directory Assistance Bureau.

In addition to the Directory Assistance Charge, customers are charged the appropriate Operator Service Charges and Surcharges as specified in Sections 1.4.6.B., 1.4.6.C., 1.4.6.G., 7., 1.4.6.G., 8., 1.4.6.H., 7., and 1.4.6.H., 8., of this tariff. Person-to-Person and Collect calls to Directory Assistance are not permitted.

Rate Per Call \$1.40

(CR)

B. Customers with Disabilities

Those customers, with an AT&T approved certification, having a visual or physical disability that prevents use of a telephone directory are exempt, as a reasonable accommodation associated with their disability, from the charges for Directory Assistance calls for up to and including 50 calls per monthly billing cycle. This exemption applies to calls billed to one residential telephone line per certified customer and applies to Directory Assistance calls for personal use only. Calls to Directory Assistance in excess of 50, where billing is available, will be billed at the tariffed Directory Assistance rate in Section 3.2.2.A. of this tariff.

.0262 The following regulation requirements will apply to the provision of operator
services:

A. MCI WORLDCOM Communications, Inc. may enter into operator
services contracts with traffic aggregators to provide intrastate
operator services to end users at traffic aggregate locations only if
such operator services are offered to end users under the same
terms, conditions, and rates as are offered to end users receiving
operator services directly from MC.

B. In offering intrastate operator services to end users through
contracts with traffic aggregators, MCI WORLDCOM will observe
the following conditions:

1. Incomplete calls will not be billed knowingly. Where
answer supervision is unavailable a timing surrogate or
other technological device will be used to prevent the
accidental billing of incomplete calls. Charges for
incomplete calls will be removed promptly upon notice by
the billed party or upon knowledge of their existence by
MCI WORLDCOM.
2. The end user and billed party, if different from the end
user, will be informed at the time of initial contact that MCI
WORLDCOM is the operator services provider
3. Rates, including all rate components and any additional
charges, will be quoted by MCI WORLDCOM upon request by the end user;
